From the Special Officer, O/o. Engineer-in-Chief, RWS&S,
Hyderabad, Lr.No.B1(2)/Site Engg./2012, Dated:25.06.2012.

ORDER:

The Engineer-In-Chief, RWS&S, Hyderabad has proposed to utilize the services of Site Engineers in a meaningful way by delegating powers of recording in M-Books for petty works pertaining to Panchayat Raj Institution Bodies to lessen the burden of Section Officers, since these Site Engineers have acquired good experience since last six years and requested the Government to issue necessary orders in this regard in his letter dated 29.08.2011.

2. Head of the Department already entrusted the following job chart to the Site Engineers:-

- a) Shall work under the control of the Section Officers to whom they are allotted.
- b) Conducting field surveys.
- c) Conducting quality testing in field/Laboratory.
- d) Preparation of drawings, designs and estimates.
- e) Monitoring rate of progress and all the aspects of quality and quantity in execution of works at site as per the designs and specifications duly keeping in view of the codal provisions.

3. The Panchayat Raj Institutions are taking up various petty works for the Operation & Maintenance of the Rural Water Supply & Sanitation Schemes for which funds are being sanctioned by the concerned Panchayat Raj Institutions. Presently the Assistant Executive Engineers/Assistant Engineers of Rural Water Supply & Sanitation Department are recording measurements in M-Books of these works because of which capital works are getting delayed.

4. The Government, therefore, after careful examination of the above, permit the Site Engineers of the Rural Water Supply & Sanitation Department to record measurements in M-Books for petty works costing up to Rs.1.00 Lakh (One Lakh) only for the O&M works sanctioned by Panchayat Raj Institution Bodies in the Mandals where the vacancies of the post of Section Officers are existing, till vacancies are filled by Section Officers through the Andhra Pradesh Public Service Commission, subject to the condition that if any pecuniary loss is caused to Government by the site engineers in their duties, the same shall be recovered from them out of their remuneration or under the Revenue Recovery Act, besides initiating criminal proceedings against them. Moreover all such works shall necessarily be super checked by Deputy Executive Engineers/Executive Engineers of Rural Water Supply & Sanitation Department before any payments are made. Depending upon the work load, the Engineer-in-Chief, Rural Water Supply & Sanitation can allocate more than one Mandal also to the above Site Engineers for the type of works indicated above.
